Work Experience

eClerx, Mumbai

May 2025 - May 2026

Web Developer (Duda CMS) / Analyst

- Built and maintained responsive websites using Duda CMS, ensuring compatibility across desktop, tablet, and mobile devices.
- Collaborated with design and content teams to deliver client-specific web solutions within deadlines.
- Developed and optimized landing pages for client requirements, improving user experience and engagement.
- Performed website updates, debugging, and performance optimization.
- Managed multiple projects simultaneously while maintaining quality and timely delivery.

Education

Bachelor of Computer Science (Mumbai University)

Mar 2021 - May 2024

- I graduated from ICLES' Motilal JhunJhunwala College in 2024 with a **CGPI:7.84/10**.
- Relevant Coursework: Object Oriented Programming, Databases, Discrete Maths, Data Structures and Algorithms, Artificial Intelligence, Machine learning, Computer Network, Ethical Hacking, Intellectual Property Rights, STQA.

Higher Secondary School (Information Technology)

June 2019 - Mar 2021

- I completed my HSC in Information Technology from Sanpada College of Commerce and Technology with a **Percentage: 71/100**.

Project Work

Portfolio Website

- Built a responsive portfolio website using HTML, CSS, and JavaScript to showcase my skills and projects with an Interactive user interface.
- Implemented features like smooth scrolling, dark mode toggle, and animated project cards to enhance user experience and engagement.
- Developed using VS Code, ensuring a clean code structure and easy updates while applying best practices in front-end development and UI/UX design.

Hobbies & Interests

- Traveling & Exploring New Places ✈️ – I love traveling to new destinations, experiencing different cultures, and learning from diverse environments.
- Watching & Analyzing Cricket Matches 📺 – I am passionate about cricket, analyzing matches for strategies, player performances, and game tactics.
